

OFFECCCT

Workspace with a distance.

We offer a wide range of furniture designed to make a safe and private workspace.

Babled

by Emmanuel Babled

“I loved the contrast between fragility and resilience. The finished piece defines a place in a somewhat cinematic way. While the flowing lines of the soft shell invite you to lean back and stick your legs out in a relaxed way, it also protects you and gives you a sense of control and coolness while swirling around, surveying a room in 360 degrees”, says Emmanuel Babled.

OFFECCT

Smallroom by Ineke Hans

Smallroom can be used together in different modules or standing alone. The design of Smallroom is characterized by a “box” on the side which can be used as a working surface with optional power devices.

The back of the sofa can be compared to a high wall functioning as a sort of protection when one is seated and creates the impression of a smaller room.

OFFECCT

Oyster by Michael Sodeau

Oyster is an elegant easy chair inspired by the Swedes' love of shellfish. The name Oyster also suggests the idea of a place to escape to—somewhere that belongs to no-one else, even though it exists within a larger milieu.

OFFECCT

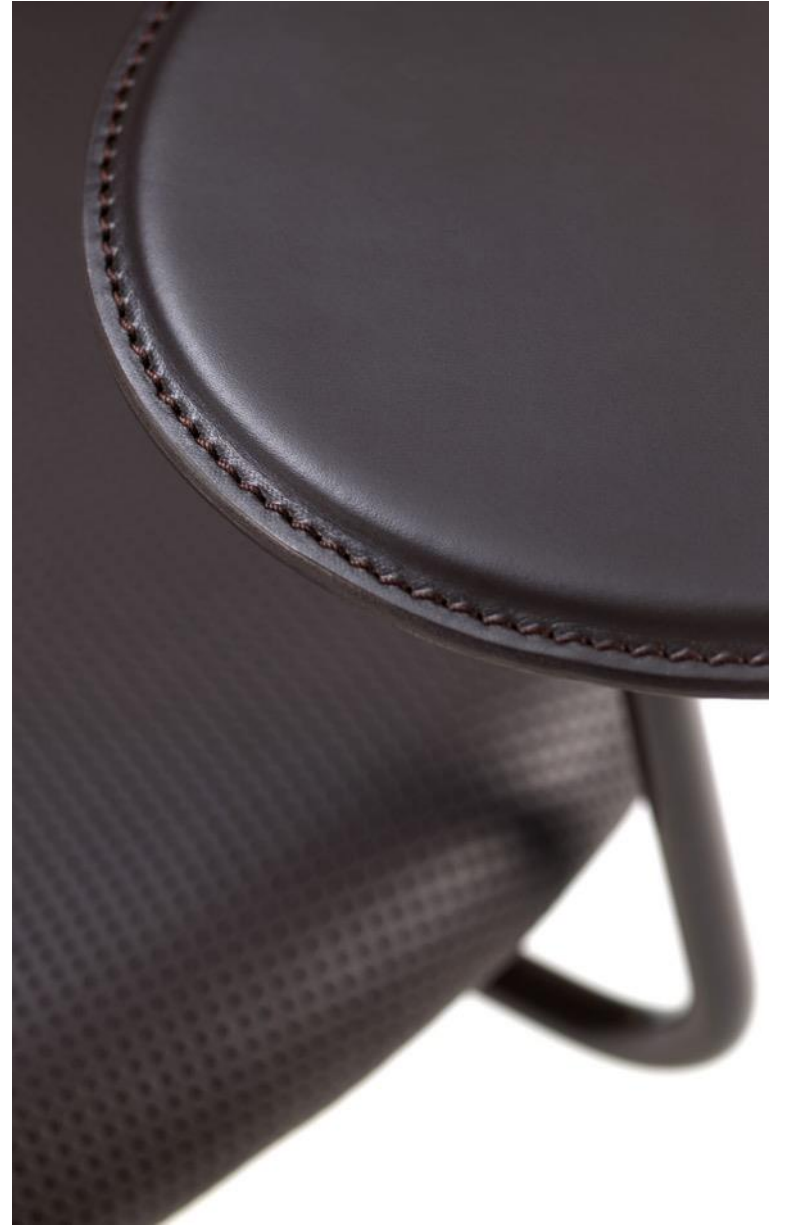

Satellite

by Richard Hutten

Satellite is an easy chair for activity-based spaces, a spinning easy chair for a digital lifestyle with high comfort and round playful features.

OFFECCT

Solitaire by Alfredo Häberli

For Alfredo Häberli, it is extremely important that furniture encourages activity and movement. The way people work today is different from how they used to.

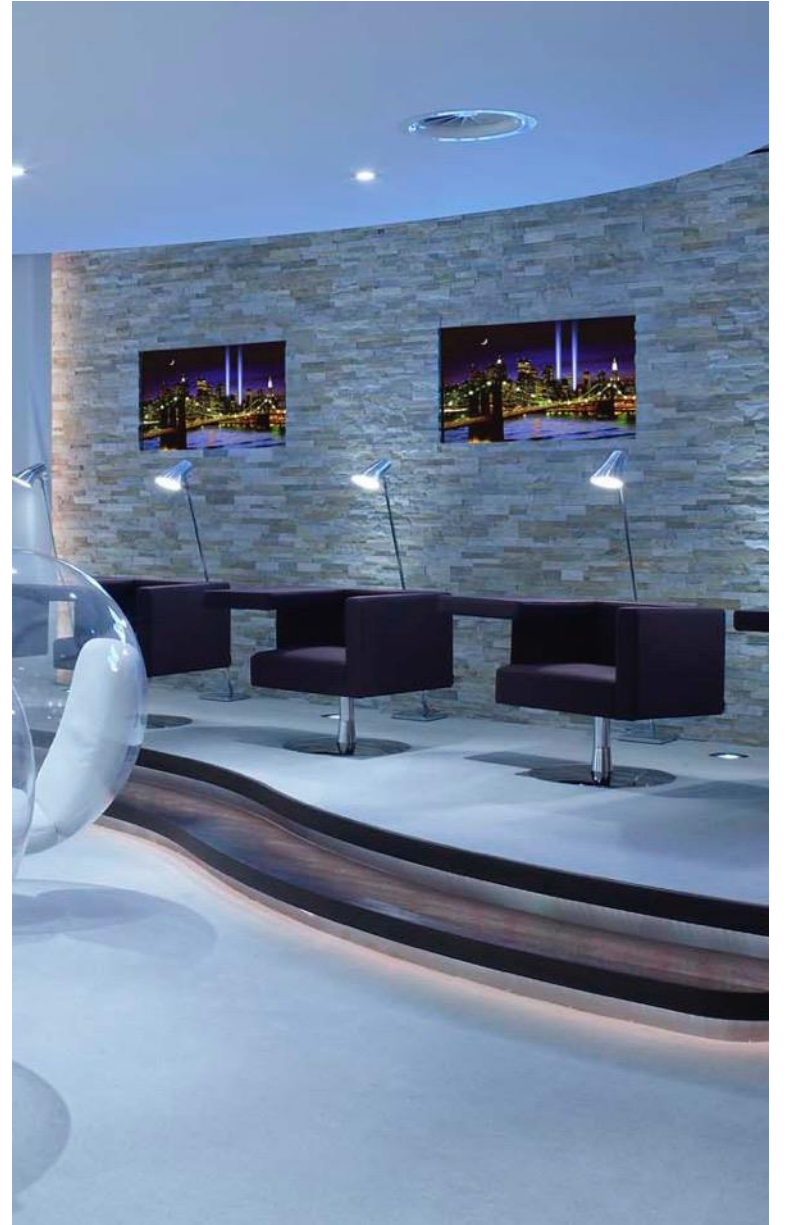

This imposes new demands on our surroundings. Solitaire is a stable piece of furniture with different possibilities combining function and form.

OFFECCT

GEOJE

Lite by Broberg & Ridderstråle

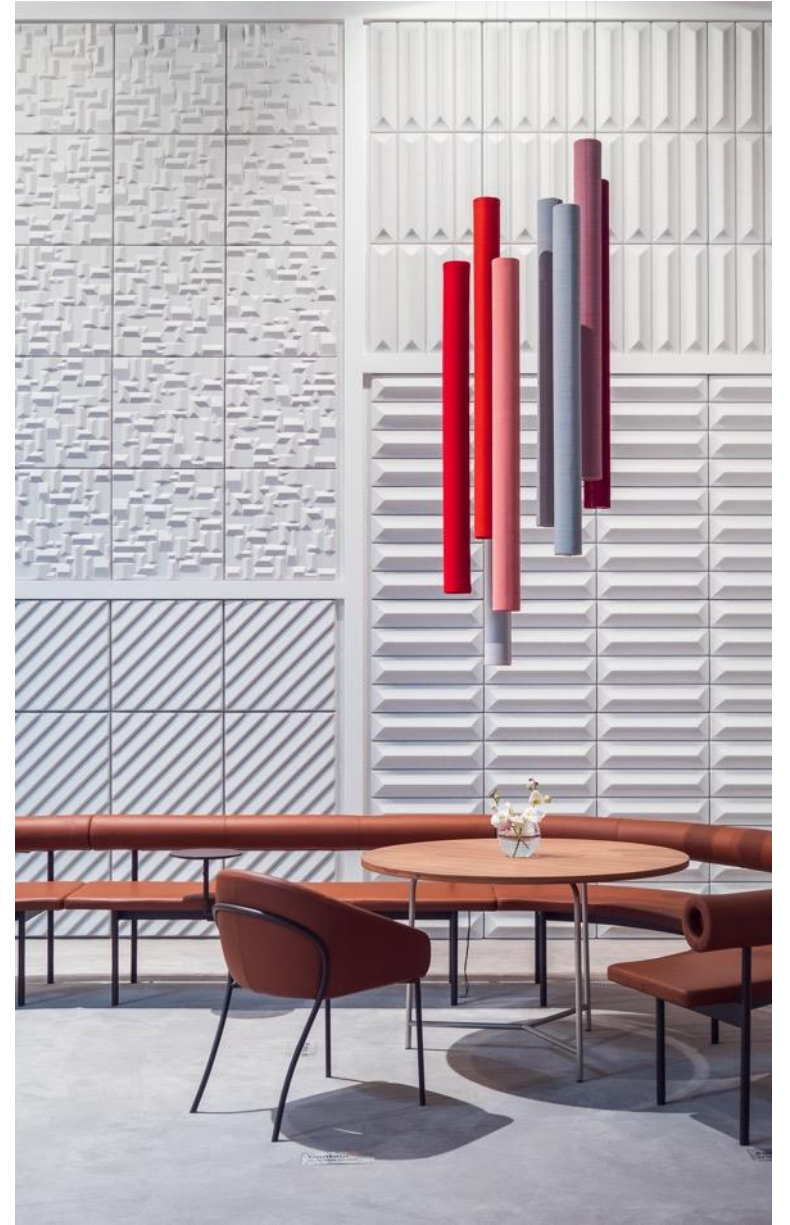

A stackable chair that combined pleasing aesthetics with rational function and design. The result was a chair characterized by a thin profile and a wide arched back. Lite combines an attractive design with the stringent requirements of a stackable chair - it is easy to transport and to stack, as well as space-efficient and durable.
