-  H6 Natural stained beech
-  H7 Golden stained beech
-  H8 Whitewashed beech
-  H11 Wenge stained beech
-  H12 Cardinal stained beech

The RBM Chic Air is the moment sleek meets soft. The perfect combination for a social, reflective space.

The collection is based on sharp-edged geometric forms combined with a subtle frame profile. Sublime, well-thought-out shapes, unique foam forms make the armchairs eye-catching elements of any interior.

To give it a more individual look, two different upholstered surfaces can be combined on one model. For example, high quality leather on the outside, with soft upholstery inside the shell. There is a variety of options to choose from, including high or low backs, chairs with or without armrests, and benches. The product has been awarded the Red Dot Award: Product Design 2017 for an outstanding design.
