With firm lines and primary shapes, the RBM Vancouver collection is born to stand out.

The Vancouver Lite collection is comprised of armchairs and sofas, featuring austere cubic forms that blend perfectly with the style of modern spacious offices. Elegant design and careful selection of finishing materials make the RBM Vancouver Lite line appreciated by those with an eye for detail.

Vancouver Lite fits perfect in reception areas, open public office areas and waiting areas. The partition walls provide meetings in silence and privacy.

The collection is completed with a line of modern, round and square-shaped pouffes – RBM Vancouver Oto.
